

VIDEO CONFERENCE

FULL HD ROTATING PTZ VIDEO CONFERENCE CAMERA

Ref.: SPE-UV510A-12-U3

The Speechi SPE-UV510 Full HD camera is the perfect tool for your video conferences. Efficient and practical, this Full HD camera offers advanced features for high-end performance, delivering excellent rendering and good image quality:

- Powerful optical zoom for high-resolution videos, and automatic signal processing technology that delivers high-definition images without latency.
- A wide viewing angle with its intelligent PTZ (Pan / Tilt / Zoom) technology.
- A USB 3.0 video output interface for fast and efficient video transfer.
- Up to 255 preset positions can be memorized and easy remote control thanks to its remote control and RS232 port.
