Google EDLA Android Box Installation Quick Start Guide

Référence : ST-XX-UHD-AND-HP3-ANDR

1 Remove the slot cover from OPS.
The location may be different depending on the type of display.

2 Insert the OPS in the space provided.

3 Android Settings : Setup the start channel

4 Settings
EN Startup and shutdown
Built-in PC startup option
• startup only through PC built-in startup option • startup through any channel

4 Download the SpeechiConnect app in the Google PlayStore of the touchscreen.

5 Open the app and follow instructions to set up your display.

6 Go to the 'Apps' tab and click on 'Open' under 'SpeechiLauncher' to install your customized launcher.

7 Click the button to make this your default launcher.

8 Enjoy an interactive experience with a personalized, Google-certified interface and secure access to all features.
